- Metric tracking
- Quality control oversight
- Assistance on any size project, at any step in the review process

CHALLENGE

An AmLaw 100 law firm was facing a seemingly impossible deadline and needed assistance in facilitating the processing, hosting, managed review and production of documents in a complex litigation matter for a Global 100 technology and entertainment company.

SOLUTION

Leveraging its managed review expertise, Advanced Discovery was able to have a team of experienced, well-qualified and dedicated review attorneys in place and ready to go by the following day. While the review team was being identified and screened, the Advanced Discovery Project Management Team worked to prepare the data for review utilizing the company's state-of-the-art eDiscovery processing facility.

ADVANTAGE

Securing a high-quality review team in less than 24 hours was critical to the success of the project. Advanced Discovery was able to deliver the full scale of eDiscovery managed review solutions to ensure the client's quality needs and deadlines were effectively met.
