## CHALLENGE

An AmLaw 100 Law Firm was faced with a pressing deadline for the task of reviewing thousands of Japanese language documents for its client – a Global 100 corporation.

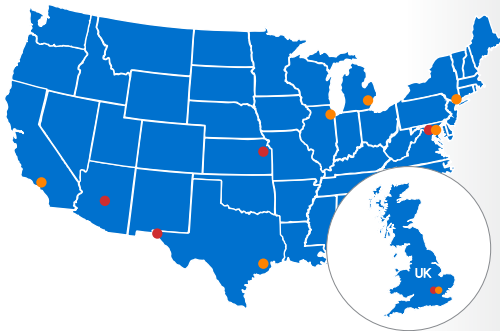

## SOLUTION

The Advanced Discovery project manager quickly assembled a Los Angeles based team of highly qualified bilingual review attorneys with deep experience in Japanese document review. The review team consistently worked around the clock on weekdays and weekends to conduct a relevance and privilege review of a high volume of documents, enabling the firm and client to successfully meet their ongoing legal deadlines – on time and on budget.

## ADVANTAGE

This client benefited from Advanced Discovery's commitment to screening the best review attorneys for foreign review projects; selecting qualified candidates based on specific language literacy; actual foreign document review experience; and satisfactory completion of the appropriate language literacy written exam.
